

HIKING TRAIL ECHTERNACH BEAUFORT

TRAIL DESCRIPTION

The trails of the youth hostels take us through various hiking paths with diverse signposts. Whenever the path markings change, a sign points us in the direction of the route. Our hike starts as we follow the youth hostels' designated path  along the beautiful lake of Echternach. After the change in path markings, we continue along the 'Sentier Maurice Cosyn'  near the retirement home and ascend to the 'Troosknäppchen,' which offers a magnificent view over Echternach. Following the trail through the 'Wollefsschlucht,' we arrive at the 'Perekop.' Our journey proceeds along the 'Amphitheater' to Berdorf, where fascinating rock formations captivate our attention, leading us to the climbing rock of the 'Wanterbaach' and to Grundhof. We pass by the 'Halerbaach' and the 'Haupeschaach' before arriving at the impressive Beaufort Castle (change of path marking). Following the youth hostels' designated path  through the village, we finally reach the youth hostel.
