

HIKING TRAIL HOLLENFELS LAROCHETTE

TRAIL DESCRIPTION

The youth hostels routes take us across diverse hiking paths marked with various signposts. Whenever the trail markings change, a sign guides us in the right direction. Our journey starts at the youth hostel Hollenfels, where we embark on the youth hostels trail  Crossing the Eisch river within the valley of the seven castles, we ascend to the plateau and transition to the CFL trail  at the 'Claushaff'. Continuing along this path, we reach the intriguing 'Mamerlayen' grottos. Following this route brings us to the train station in Mersch. This marks the conclusion of the CFL trail. Subsequently, we embrace the 'Petite Suisse' national hiking trail  leading us uphill and through the captivating rock formations of the 'Nommerlayen.' As we approach the end of this trail, we embrace the 'Extra Tour A' of the renowned Mullerthal Trail  before once again following the 'Petite Suisse' trail  back to the village center of Larochette. Our journey continues on the youth hostels trail  guiding us to the hostel situated at 'Osterbour,' located as we exit the village toward Medernach.
