

HIKING TRAIL LAROCHETTE ECHTERNACH

TRAIL DESCRIPTION

The paths of the youth hostels wind through several trails with various types of signposting. A sign indicates the direction at each change of signposting. The journey begins at the youth hostel in Larochette leading towards the town center (change of signposting). We then follow the Mullerthal Trail to the Blummendall (change of signposting). The 'Sentier du Möllerdall' takes us through the forest 'Marscherwald' and past rock formations. Continuing in the direction of Kobenbour, we arrive at Kasselt (change of signposting) and proceed to the 'Sentier Fred Welter' in Liembierg forest (change of signposting). Once more, we resume the 'Sentier du Möllerdall' and cross the 'Armeslee' and 'Daxelee' towards Scheidgen. The path leads us down through Lauterborn to the valley. Finally, we reach the lake in Echternach. At the lake's entrance, we follow the youth hostel path to the hostel located next to the lake.

Short option using public transport:

Larochette - Mullerthal (approx. 20 km): Follow the hiking trail and deviate from the original route in the 'Marscherwald' forest (near Kobenbuer) to reach the village Mullerthal. The route passes by the 'Kallektuffquell' and the famous 'Schiesentümpel'. Take the bus from the 'Mullerthal/Möllerddall' station to the 'Echternach, Gare Centre' stop (travel time: approx. 18 minutes).

**MISSING SIGNS,
ISSUES ON THE
TRAIL?
KINDLY INFORM US!**
